

# Owner/Pilot Operator Maintenance Defined-New and Improved

During this briefing we will clarify exactly what preventative maintenance is and who can perform it. We will give you handy references and show you where to get them. Should you do a logbook entry when you perform preventative maintenance? Can you supervise someone else performing preventative maintenance?

**Directions:** All attendees - Briefing room TBD, See Triple Tree agendas for briefing locations. Attendees must coordinate with Triple Tree for access to this event. Accepting registration on [FAASafety.gov](http://FAASafety.gov) for this event doesn't get you access to Triple Tree. See instructions below. "Prior to attending a safety seminar please review and abide by current CDC, State and Local health guidelines."
